

FLASH ♦ 5-9/10/2024 ♦ SKINARTEXPO.BE

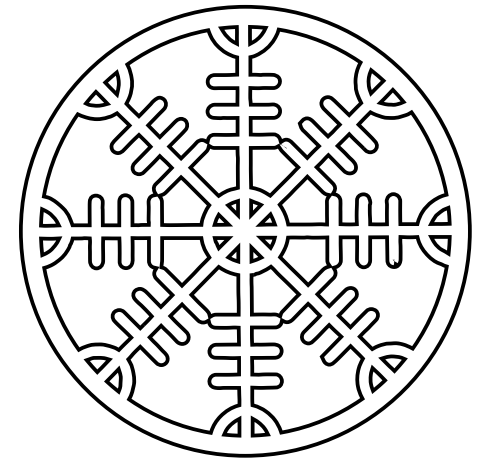

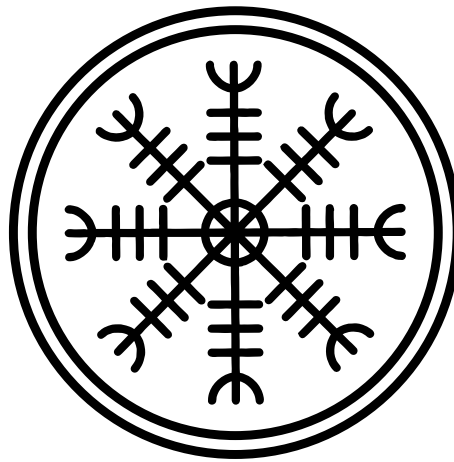

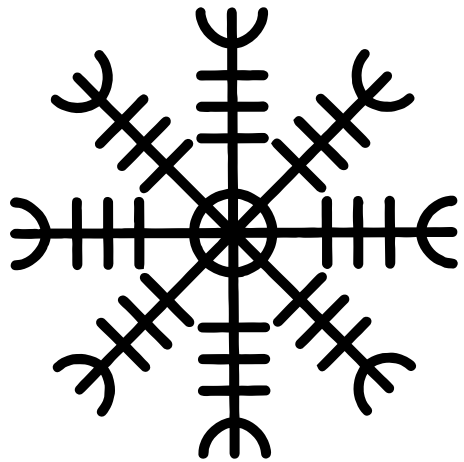

Deze flash collectie is gebaseerd op symbolen uit Scandinavische folklore, zgn. *galdrastafir*, uit de periode 750 - 1000 (op enkele uitzonderingen na, zoals de *ægishjalmur* en *vegvísir* — deze kunnen slechts getraceerd worden tot 19e-eeuws geschriften).

Ze werden verzameld voor gebruik als flash op Skin Art Expo 2024, maar je kan ze nog steeds laten plaatsen in onderstaande vormgeving en afmeting (de meesten zijn beschikbaar in 60x60mm en 45x45mm), of ze gebruiken als inspiratiebron voor een gepersonaliseerde tattoo in eender welke afmeting / afwerking.
